CAMPUS LIFECAREER PLAN

Campus Life

Campus Life knows that adolescence can be the best of times and the worst of times, and it is always a pivotal time in a young person's life.

What Is Campus Life?

Campus Life is a program of Youth For Christ, a non-profit organization that has been active throughout the United States for over 65 years. Currently Campus Life has over 1,000 sites located throughout 40 states. Along with fantastic trips and events, our weekly meetings address issues students face while relating them to basic Christian principles.

Who can come?

Campus Life isn't just for one kind of kid, it is for everyone. It is open to every student regardless of their race, gender, religious beliefs, or economic circumstances. We would encourage you to speak to your local Campus Life director to learn more about the specific program offered in your area..

How is Campus Life funded?

Campus Life is supported through the generous donations of our community partners. They enable us to offer the majority of our programming at no cost to the student or their family.

**What is Campus Life like?**

Campus Life is a positive place where students can go to have fun with friends, talk about relevant issues and be heard without judgment. It's a place where students are challenged to make good decisions and lead in positive ways in their school. In addition to weekly club meetings, CL offers trips, small groups and other activities.

**Is it safe?**

Campus Life is a safe environment. All staff and volunteers are carefully screened and have gone through an extensive application process which includes references, a face-to-face interview and a professional background check.

**Individually Focused**

Campus Life knows the journey of adolescence is different for everyone. We are committed to coming alongside students, meeting them where they are, in order to help them navigate these years..

**Relationally Based**

Campus Life has found the importance of shared experiences between a student and caring supportive adult are indispensable. This is why we place the primary focus on relationships and not programs.

**How much does it cost?**

Cost are different for different campuses. It is not specific. In our country, there is not much cost in public University. There are variations of costs in private universities
