What is Career Plan ?

A career plan lists short- and long-term career goals and the actions you can take to achieve them. Career plans can help you make decisions about what classes to take, and identify the extracurricular activities, research, and internships that will make you a strong job candidate.

My Career Plan

My long-term career goal: To be a lead chef in a Software Farm.

My short-term actions to support this goal:

I will learn more

I will practice skills

I will read books every day to improve my skills, and practice programming every day in 4 hours.
